

# **NO COST DISTRIBUTION TO A TARGET AUDIENCE!**

The Collectors Car Club of Saskatchewan Inc. is a non-profit Club supporting local Charities. We hold two main events annually. There is a Show in May and a Cruise in July. We prepare 150 handout bags for the participants of each event.

We offer you an opportunity to promote your business directly to auto enthusiasts of all ages that are also local consumers.

If your company is interested in providing coupons, info pamphlets, pens, magnets, etc. (something small that advertises your business or service) please contact the Collectors Car Club at least one month prior to the event. An email link is available at our website: [www.collectorscarclub.com](http://www.collectorscarclub.com) or can be arranged through any one of our members. For additional details, you may contact Cynthia by phone at (306) 949-6590.

Larger dollar value items are also accepted as door prize giveaways to the Participants.

Sponsorship contribution of \$150.00/event or \$200.00/yr ensures there will be no conflict of competitive advertising. You have the opportunity to preview & have option to approve or decline requests in your related industry. It also ensures that you will have first right of refusal for subsequent years. *And* we will provide you with guaranteed spot to park your classic &/or specialty vehicle with the Club at these events!

CCC reserves the right to decline without explanation.
