

The Collectors Car Club of Saskatchewan promotes interest in classic and special interest vehicles with car enthusiasts and their families throughout the province. We are members of the Saskatchewan Association of Automobile Clubs Corporation (SAACC) and the National Association of Automobile Clubs of Canada (NAACC) that helps us keep in touch with changes to provincial/national government regulations. Current vehicles in the club range from the 1920's up to the present and cover a wide variety of makes and models with no vehicle restrictions. We host two major events each year, our charity car show at the end of May and Regina's largest and oldest "rolling" cruise at the end of July.

MEMBERSHIP BENEFITS

Becoming a member of the club offers the following benefits:

Fellowship	Participation in other club events & shows
Car club members & guest socials	Information & sources of help on parts & repairs
Fun times for the whole family	Club discounts on car parts

Visit www.collectorscarclub.com or email ccc@collectorscarclub.com if you require more information about our car club, meeting dates, etc.
